First, I hope you and your families are staying safe and healthy while dealing with the Governor's Executive Orders from the pandemic. It has been awhile since we've seen one another (other than virtually that is) due to COVID-19 restrictions but I want to let you all know that the PEC of NJ is still here and cannot wait to see you again. Therefore, until that time I would like to provide you a status of our scheduled events for 2021.

Our highly acclaimed technical dinners, which are a great way to get your PDH's and network with our industry, are not scheduled at this time. The Unity Dinner is postponed to the fall of 2021 (from February 25, 2021). Unfortunately, our biggest event of 2020, The Bonhag Dinner Dance, was essentially canceled because of the pandemic. However, our fingers are crossed that it can take place on its current date of April 30, 2021.

On a much happier note, despite the canceled events in 2020, but a result of the continued memberships from the sustaining firms and scholarship donations we have received, the PEC of NJ will be awarding another Sol Seid scholarship in 2021. We look forward to awarding two scholarships at this year's Bonhag Dinner Dance.

Also at this year's Bonhag event, we will honor Awardees Rob Fischer of the NJ Turnpike Authority for Construction Engineer of the Year and Henry Meyers of Anselmi & DeCicco for Constructor of the Year.

Have a safe and wonderful Holiday season and a Happy New Year. I hope to see you at our events next year!

Very truly yours,

Lou Tomasello, P.E.  
Chairman, PEC of NJ
